

ACE e-MANIFEST SETUP PACKAGE – into USA

U.S. Customs and Border Protection (CBP) published a *Federal Register* notice detailing the land border ports that will require truck carriers to use the Automated Commercial Environment (ACE) to transmit advance electronic cargo information (e-Manifest). Effective January 25, 2007, the filing of e-Manifest became mandatory at all U.S. ports of entry.

Electronic Manifests must be received by Customs one hour prior to arrival at the border for non food related items, and two hours prior to arrival for food items regulated by the U.S. Food & Drug Administration (FDA).

Carriers may file e-Manifests with CBP through the web-based ACE Secure Data Portal, via a CBP approved electronic data interchange (EDI), or through a third party who may submit the electronic manifest information to CBP on their behalf via EDI or the web portal.

Pacific Customs Brokers Inc. (USA) has made available a software application for submitting your ACE electronic truck manifest. In order to participate, you will need to provide us with a letter of intent and information on your conveyances and consignees.

Pacific Customs Brokers Inc. is proud to offer full and partial (self) e-Manifest filing services, suitable for your business needs. By completing the attached documentation, you are giving us a better understanding of your business, allowing us to offer you the best service and rates available.

By choosing Pacific Customs Brokers Inc. for your e-Manifest filing services, you will be able to utilize our live reception team, ALWAYS open operation and our designated Carrier Help Desk. In addition, our e-Manifest system features a record keeping functionality that will help keep you compliant with the record keeping requirements set by CBP for commercial carriers.

A full account setup packet is included and can be returned once completed via email to e-Manifest@pcbusa.com or faxed to 360.332.1506. You may also call us at 888-538-1566. Pacific Customs Brokers thanks you for your business. A member of our team will contact you shortly.
